RESEARCH PROTOCOL

Banks Environmental Data, Inc. (Banks) has completed your request for a historical tenant search for the above site. The information in this report was developed to aid the Environmental Engineer/Consultant in determining a history of previous uses of a subject property in order to help identify the likelihood of past uses having led to recognized environmental conditions in connection with a subject property as specified by ASTM 1527-05 Section 8.3. Banks has researched Haines, Coles and Polk crisscross directories back to 1940 or to the earliest year available at the Allen County Public Library in Fort Wayne, IN for any occurrences of the above address. The findings are listed in the table below.
